Note: Basic Package and the Enhanced Package assume 12 months continuous participation.

- Basic Package is the software license to utilize the Selerix ACA Reporting Module.
- Enhanced Package requires the Selerix ACA Reporting Module to access the Navigate HCR ACA Hotline and/or the IRS Reporting Services. ACA Concierge/Hotline Service includes up to 10 hours for the annual fee.
- While production of the 1094/1095 forms is included in the Selerix Basic Package, the distribution and/or mailing of applicable forms to employees remain the Employer’s responsibility. If your organization would like assistance with the printing and distribution of the employee forms, NavigateHCR can assist at an additional cost. For details, email Navigate at Help@Navigatehcr.com.
